PROBABLE CAUSE STATEMENT

I, VOSS, JONATHAN R
UPON MY OATH, AND UNDER PENALTIES OF PERJURY, state as follows:

1. I have probable cause to believe that LEWIS, CASEY DEWAYNE
committed the offense(s) of:
565.020 FIRST DEGREE MURDER

2. The facts supporting this belief are as follows:
On April 10, 2013 at 1900 hours, Public Safety Joint Communications received a 9-1-1 call from James Thompson advising there had been a break in at 2416 Cimarron Drive, Columbia/Boone County, Mo. Thompson advised he arrived at the residence of the victim, B.D., and found the rear door kicked in and B.D. lying on the floor suffering from obvious wounds.

Upon officers' arrival, the victim was found to be deceased. An autopsy found three gunshot wounds on his person. Thompson was later arrested for the murder of B.D. Investigators found evidence that Thompson had stolen property from the victim and sold it. Evidence also indicates Thompson had forged a Last Will and Testament, naming himself as the victim's sole beneficiary. Investigators discovered that the victim had been awarded over \$2.6 million in a structured settlement in 2008.

Christopher Hurt, who assisted James Thompson in establishing an alibi for the time of the murder, told investigators Thompson went to the state of Oklahoma several days prior to the murder to pick up a subject named Casey. Hurt said he saw Thompson in the company of Casey on the evening of April 9, 2013 on two separate occasions. The first of which was when Hurt met with Thompson and Casey to have dinner at a Chinese restaurant in south Columbia. The second was when Hurt went to Thompson's residence at 3501 New Haven Road, lot 187, and saw Casey there with Thompson. Hurt described Casey as appearing to be Native American. Investigators received a Crimestopper tip that a male from "out of town" with a dark complexion, possibly "East Indian", was seen with James Thompson on 04-09-2013 at Thompson's father's house. The Crimestopper also reported that Thompson gave this subject a vehicle with which to leave town. Hurt stated on 04/11/13 he asked Thompson where Casey was and Thompson replied, "Can you really ask that with a straight face".

Information obtained from a search warrant for the phone records of James Thompson served to his cellular phone carrier indicates he made phone calls to 580-514-7186 on April 8th, 9th, and 10th, 2013. A subsequent subpoena served for the subscriber information for 580-514-7186 revealed that Casey Lewis is the subscriber, and his address is in Ada, Oklahoma. The 580 area code is assigned to Oklahoma. Additionally, Thompson's cellular phone plotted to Oklahoma on 04-08-2013.

Detectives located Casey Lewis on May 22nd, 2013 in Coal County, Oklahoma, and questioned him. Lewis admitted to going to Columbia, Missouri with James Thompson. Lewis said he was with Thompson on April 9th, but left at midnight. Cell site locations obtained by serving a search warrant on the carrier for Casey Lewis' phone having number 580-514-7186 show that Lewis was still in Columbia at 4:14 AM on April 10th. This call connected to a tower, and sector within that tower's area, that is near the scene of the murder. The murder is believed to have been committed in the early morning hours of April 10th.

Casey Lewis had been arrested on unrelated charges in Coal County, Oklahoma on April 26th, 2013. At the time of his arrest, he was driving a Pontiac Grand Prix belonging to James Thompson. Lewis said Thompson gave him the car as payment for work. Lewis said Thompson came to Oklahoma and picked him up, drove him back to Columbia, Missouri, and gave him the car on April 9th, 2013. Lewis told investigators that he left Columbia Missouri at midnight on April 9th. This is known to be untrue based on cell phone tower location information.

A short time after returning from Oklahoma I received a call from Coal County Oklahoma Investigator Jeral Bailey who informed me he had recovered a High Point 45 caliber handgun in a bag along with clothing and other items. Investigator Bailey stated the bag was recovered at the edge of a field adjacent to Lewis' Aunt's (R.C.) residence. Investigator Bailey stated the bag was hidden under a tree.

Later in the investigation Detectives reviewed Pontotoc County Oklahoma jail calls between Lewis' sister (S.L.) and his aunt (R.C.). During a call on 04/11/13 (a day after Lewis leaves Columbia Mo.) R.C. tells S.L. that Lewis has a car his friend let him borrow and money to use to hire S.L. an attorney. R.C. stated Lewis told her he did a little work for someone, and has money from the job. During a call on 04/26/13 R.C. informs S.L. of Lewis' arrest near her home on the Oklahoma Charges. R.C. tells S.L. that she believes Lewis had a 45 in the trunk of his vehicle at the time of the arrest. R.C. tells S.L. that she checked his room was not able to locate the gun. After reviewing the police reports associated to Lewis' arrest, investigators learned that a handgun was not recovered at the time of Lewis' arrest.

On 04/13/13 Thompson was arrested for the murder of Brian Daniels. It is known that Thompson has communicated with family members via Boone County Jail phone and visitation rooms on multiple occasions. Thompson has been heard speaking with his family members multiple times in which he attempts to conceal the identity of Casey Lewis. Thompson refers to him only as the brother of Staci or the son of Robert. Investigators have verified Casey Lewis does have a sister named Staci Lewis and his father's name is Robert Lewis. A specific example is as follows:

04/16/13, three days after Thompson's arrest for Murder, he has a conversation with his sister Jenniva Leon and during the course of their conversation Thompson states, "Remember Staci from our childhood, she had a brother, but you Don't remember his name?" Leon replies, "Yeah". Thompson then asks, "Has anyone messaged HIM [emphasis added] on facebook to see how Staci's doing". Leon replies, "umm no not that I'm aware of, why". Thompson states, "You should try to see how... if you can message him on facebook and ask him how Staci's doing, I was worried about her". Leon replies, "Yeah I can do that".

Thompson states, "I haven't heard from him in a while". Leon replies, "Yeah I can see how they're doing".

It is not until 06-15-2013 when Casey's name is actually mentioned by Thompson's sister, Jenniva Leon, but only after Thompson refers to him again as Staci's brother. Leon tells Thompson that "they already got Casey", that Casey has been arrested in Oklahoma.

On 07/11/13 at approximately 1515 I met with Glen Anderson and conducted an interview with his attorney present. Glen Anderson is a longtime friend of James Thompson and admitted to providing a false alibi for Thompson during the initial stages of the investigation. During the interview Anderson stated he had multiple phone conversations with James Thompson during the time period between the discovery of Brian Daniels body and the arrest of Thompson. Anderson stated Thompson told him he (Thompson) paid Casey Lewis to kill Brian Daniels. Anderson further stated Thompson mentioned paying Lewis cash, giving him a 45 High Point handgun and a car for committing the murder. Anderson stated Thompson told him Lewis shot Daniels three times and performed an Indian Ritual over the body. Anderson stated Thompson told him they (Thompson and Lewis) made the scene look as if someone had broken into the residence.
